

Super Nozzles

Dependable Performance for Countless Deliveries

Super Nozzle

Setting Standards in Safety and Dependability since 1936.

DESCRIPTION

Scully delivery nozzles are considered by many to be the finest in the world. They are used for delivering heating oils, lubricants, gasolines, jet fuels, chemicals and other liquids. Their durable construction allows them to provide dependable performance over countless deliveries. Scully nozzles offer optimum pumping speed and control to improve your delivery efficiency.

SUPER NOZZLES

- The Ideal Commercial Delivery Nozzles
- The leading choice for heavy product, high volume deliveries.
- Reduced pressure drop allows for faster pumping speeds.
- Prevents closing shock to prolong truck equipment life.
- Feature leak-proof filling and no-drip operation.
